House Bill HJRCA 58

General Comments:

The process of redistricting should be done in such a way that limits the involvement of the General Assembly and Governor's Office as much as possible. I feel the measure that would have best achieved this was HJRCA 58, which is why I co-sponsored it. Further, this measure would have brought greater public input into the process and helped to increase minority representation in areas such as suburban Cook and collar counties
