- Print 866-OUR-VOTE Car Window Sign: <https://bit.ly/3mPwVpF>

Guidelines for **TRADITIONAL SINGLE SITE** Poll Monitor Shift/s:

- **In light of the ongoing threat of COVID-19**, volunteers should notify us and NOT monitor if they are sick (regardless if it is COVID-19 or not). Volunteers are encouraged to engage in social distancing and wear a mask.
- Traditional volunteer poll monitors have one polling place to observe during your shift. You may be contacted to change locations.
- **All volunteers must monitor outside of the 75 ft electioneering line** to avoid any *perception* of electioneering.
- **At the beginning of your shift/s:**
 - **Familiarize yourself with the 75 foot electioneering line**
 - Place one Election Protection yard sign (if not present) at your assigned polling place.
 - **Submit a Polling Place Checklist** online using JotForm (if not online use paper form and text a picture of it or otherwise send it later)
- **During your shift/s:**
 - Submit an online Tally report each time you resolve voter questions using the Voter FAQ **without** calling 866 OUR VOTE or the Command Center.
 - **If you see or think you might be seeing signs of voter intimidation or have another issue affecting many voters fill out an Incident Report and call the command center.**
 - If you are not online, **call 866-OUR-VOTE** to report incidents and fill out the paper report form for checklists and tallies to send later.
- **At the end of your shift/s:**
 - **If you have a late Monitor shift (4:30PM-8:30PM)**, retrieve the Election Protection yard sign (if present) and coordinate to return it.
