Senator Lauren Book & Representative Jared Moskowitz File Legislation to Aid Pregnant Women & Mothers with Infants

Tallahassee, FL — Senator Lauren Book (D-Plantation) and Representative Jared Moskowitz (D-Coral Springs) have respectively filed SB 660 and HB 669 to aid pregnant women and mothers with infants while they are shopping. If enacted, this bill would require retailers and shopping centers with more than 100 parking spaces to reserve at least one parking space for expectant mothers and to maintain one clean and private breastfeeding area that is not a restroom or changing area.

"As a mother-to-be expecting twins, I’ve spent the last nine months watching moms attempt to balance it all while out in public with their babies,” stated Senator Lauren Book. “And I’ve seen that we’re just not doing enough to support women during this incredibly challenging time. A new mom simply shouldn’t have to sit on a toilet seat in a public restroom or out on a hot curb to feed their child. We need to provide more dignity, comfort and safety for both mothers and babies. This bill proposes a small change that would make a big difference.”

“Being pregnant or having an infant shouldn’t act as a deterrent for a woman wishing to go about her daily routine,” stated Representative Jared Moskowitz. “The least we can do is make being a mother a little easier by ensuring that there’s always a place to park and to feed your child. It’s just commonsense that we would do all we can to help out Florida’s wonderful mothers.”

SUBJECT: Collier County State Legislative Delegation Meeting and Public Hearings

Thursday, October 19, 2017 has been set as the date for the Collier County State Legislative Delegation’s Public Hearing for local bills and local budget requests. The meeting will convene at 9 a.m. in the North Collier Regional Park located at 15000 Livingston Rd. Naples, FL 34109 and will last until the completion of the agenda.
Law

The final product of the legislative process. An act becomes a law when the Governor either approves it or fails to sign or veto it within the period specified in the State Constitution. An act can also become a law when a subsequent legislature overrides a veto by the Governor.
Quick Review of How a Bill Becomes a Law

1. A bill may be introduced in either the Senate or House of Representatives.
2. A committee studies the bill and often holds public hearings on it.
3. A favorable report moves the bill to the calendar. The bill may then be placed on a special order calendar for debate before the entire body.
4. The bill is subject to second reading and amendments, then third reading and debate on a different day, before final passage.
5. After passing in the Senate, the bill goes through the same procedure in the House of Representatives.
6. If amendments are adopted in the other house, the house of origin must concur for the bill to move forward.
7. When the identical bill is passed in both houses, it is signed by the respective officers and sent to the Governor.
8. The Governor signs the bill into law or vetoes it. If the Governor fails to act on the bill within 7 or 15 days, it becomes law without his or her signature.
Florida House of Representatives

HOW AN IDEA BECOMES A LAW

CONCERNED CITIZEN
A citizen, group or legislator may have concerns, issues or ideas that prompt the suggestion of legislation.

REPRESENTATIVE
Decides to introduce a bill

BILL DRAFTING
Representatives use the House Bill Drafting Service to write and review bills.

BILL NUMBERED AND FILED

FIRST READING
Before a bill can be voted on, it must be read three times. Usually, a bill is first read by publication in the Journal.

BILL REFERRED BY SPEAKER
To Committee, Subcommittee, or Calendar of the House

COMMITTEE OR SUBCOMMITTEE
Bills are assigned and noticed by Committees and/or Subcommittees, the membership of which is made up of Representatives. Committee and Subcommittee meetings are open to the public.

The Committee or Subcommittee reports one of the following actions to the Clerk:

House Bill:
1. favorably
2. favorably with recommended committee or subcommittee substitute
3. unfavorably

Senate Bill:
1. favorably
2. favorably with amendment(s)
3. unfavorably

RETURN TO THE HOUSE
Upon passage, a bill is sent by message to the Senate. The Senate may vote to pass the bill with or without amendments.

SECOND READING — CHAMBER
Not all bills reach the Chamber for consideration. Bills on Special Order Calendar may be read a second time and amended in the Chamber.

THIRD READING — CHAMBER
After a bill has been read a third time, it is debated and a vote is taken in the Chamber.

SENATE SECRETARY
With amendments, House concurs, House further amends or House refuses to concur.

WITHOUT AMENDMENTS

TO ENROLLMENT

GOVERNOR
The Governor may either sign the bill, now referred to as an “act,” into law, allow it to become a law without his signature or veto it. It takes a two-thirds vote of each house in order to override a veto.

TO SECRETARY OF STATE

HOUSE and SENATE
Adopt conference report in its entirety and pass the bill

CONFERENCE COMMITTEE
If the House and Senate do not agree on a bill as amended, they may decide to appoint a conference committee charged with the task of reaching a compromise. The committee is made up of both Representatives and Senators.

BILL PLACED ON HOUSE CALENDAR

SPECIAL ORDER CALENDAR
The Rules & Policy Committee may place a bill on Special Order Calendar for consideration in the Chamber.

EFFECTIVE DATE
A law becomes effective on the 60th day after sine die or on a specified date or upon the Governor’s signature.

Session

Regular sessions of the Legislature begin on the first Tuesday after the first Monday in March and continue for 60 consecutive days, which may be extended by a three-fifths vote of each house. Special sessions may be called by the Governor, or may be convened by joint proclamation of the President of the Senate and the Speaker of the House of Representatives. Special sessions may not exceed 20 days, unless extended by a three-fifths vote of each house.

Data from sessions prior to 2011 is available on the Florida Senate archive site.

In this Section

**Bills**
Legislative proposals may be in the form of bills, resolutions, concurrent resolutions, joint resolutions, or memorials. A bill is a proposed law, and it may be either a general bill or a local bill. A general bill would have a general impact within the state; a local bill would affect only a particular county, city, or town named in the bill. A majority vote is required to pass a bill, unless otherwise provided in the Constitution.

**Calendars**
Calendars serve as official notification of legislative activities, such as sessions, committee meetings, bills to be considered, schedules, deadlines, and other significant information. The Secretary of the Senate is responsible for posting the calendar.

**Journals**
Each journal details the proceedings on the floor, committee reports, and related actions of the previous day. The Journal is only published when the Legislature is in Session.

**Appropriations**
The appropriations bill is one of the most important bills considered by the Legislature. This bill is the state’s budget and it specifies the amount of money available to various state agencies during the next year. The appropriations bill follows the same course as other general bills, but because it is difficult to get both houses to agree on all items in the bill, a conference committee is usually appointed to resolve the differences.

**Conferences**
A conference committee is created for the purpose of resolving the differences between the Chambers on a piece of legislation. This usually entails a joint meeting of two committees.

**Reports**
During Session, the Division of Law Revision and Information provides several reports which can be generated based on purpose. Sample reports include the citator and bill information reports about introducers/sponsors, governor’s actions, bills with companions, passed bills, chapter number/effective dates, and committee progress.

**Executive Appointments**
Appointments to certain boards and offices that require Senate confirmation are tracked and maintained. Information is provided on what committees heard the appointment, how the Senate voted on the appointment and what other appointments an appointee may currently or historically have. In addition, appointments can be sorted by district for the current session year only.

**Executive Suspensions**
The Senate determines whether to remove or reinstate certain officers who have been suspended by Executive Order of the Governor.

**Redistricting**
Redistricting is the process of redrawing the boundaries of congressional and state legislative electoral districts to reflect population changes that result from the decennial census. Learn about the milestones, public hearings and the submitted plans for both the Senate and House.
