## Request Your 2023-24 Mail Ballot Today!

**All mail ballot requests expired after November 2022. Florida voters who want to continue voting by mail *must* submit a new vote-by-mail request.**

There are four ways to request a vote-by-mail ballot:

- Fill out an online application (<http://allvoting.org/FLVoteByMail>)
- Call your Supervisor of Elections office and ask for one.
- Send an email, fax or letter request to your Supervisor of Elections.
- Ask in-person at one of your county's Supervisor of Elections offices.

Find your county Supervisor of Elections information on the back of this flier or go to [KeepFloridaVoting.org](http://KeepFloridaVoting.org)

To request a vote-by-mail ballot, you will need to provide:

- ✓ Your name
- ✓ Permanent home address
- ✓ Date of birth
- ✓ Florida driver license/ID card number or the last four digits of your Social Security number

The ID number **must** match what the elections office has on file. If you don't remember what number you used to register to vote, provide both or call your Supervisor of Elections.

Voters with disabilities can request an accessible vote-by-mail ballot from the Supervisor of Elections!

**Already requested a mail ballot?** Double check your status with your county elections office to make sure you are scheduled to receive a mail ballot for all elections through 12/31/2024.

Please note, this does not affect your voter registration. Go to [RegisterToVoteFlorida.gov](http://RegisterToVoteFlorida.gov) if you need to register or update your voter information!
