Matt,

Thanks for the reply and happy the partnership between ALEC and the Governor remains strong.

The Governor and I exchanged a brief text earlier in the week and agreed to get together after the session to talk about Blueprint. I'm happy to update you as well when you have time - always happy to meet at 801 now that it is open again.

Best,

Jim Smith, President

Great to hear everything went well.

I got Lisa's email over to the Governor.

Please let me know if there is anything else we can do to be supportive of ALEC. I'm really looking forward to the trip for golf at the end of August. Thank you so much for the invite
