Mr. Frank Daley
Executive Director
Nebraska Accountability & Disclosure Commission

5 August 2022

Dear Mr. Daley:

I am writing to you today in order to amend my 2021 Statement of Financial Interests (NADC Form C-1), which was filed with the Commission earlier this year.

In that filing, I disclosed a pledged gift from Standard Process of \$1001 or more. This pledged gift was going to help offset transportation expenses and was also going to include nutritional supplements. I included this pledged gift in my filing with the Commission because I believed that it was going to occur, and I wanted to err on the side of full transparency. However, this pledge from Standard Process never resulted in a gift to me. I paid for all my expenses relating to the Mount Kilimanjaro trip with my own personal funds.

Thank you for your attention to this matter and for this opportunity to correct the Commission's related records.

Sincerely,

A handwritten signature in black ink that reads "Tom Brewer". The signature is fluid and cursive.
