If you do NOT have one of the acceptable forms of ID pictured above, you may use a school-issued student or voter ID if it meets the criteria to the right and is accompanied by a proof of enrollment document (hard copy or electronic) when presented at the polls.

**COLLEGE ID CARD**

Your college ID card **MUST** have all of the following to be used for voting:

- Photo
- Expiration date\*
- Signature
- Your school must be a WI accredited college

\* Cannot be more than 2 years after card's date of issue

**PROOF OF ENROLLMENT**

Proof of Enrollment varies for each college. It is a separate document (may be electronic), such as a class schedule or enrollment verification form.

**If you are not sure about your proof of enrollment; please ask your college.**

If you DO NOT have either one of the acceptable IDs pictured above right or a voter ID compliant school-issued ID you may:

\* Apply for a free Wisconsin ID at your local DMV center (but **you will have to surrender your out-of-state driver license if you have one** in order to get a DOT-Issued Wisconsin ID card).

\* If from out-of-state, vote with an absentee ballot in your home state.
