Redistricting Rules: Nevada Rules

Who draws the lines?

- Congressional and state legislative lines are both drawn by the state legislature and subject to gubernatorial veto.
What are the mapping rules?

- Federal **equal population** requirements and adherence to the **Voting Rights Act** and constitutional rules on race.

- Census data is adjusted for congressional and state legislative districts to count incarcerated people at their last known address before incarceration (Nev. Rev. Stat. §§ 218B.105, 304.065, 360.288)
